# YOU DESERVE TO ARRIVE

To a door that has your very first name-plate  
In a place where nature is your constant neighbor  
Where your children will grow along with your happiness  
In a locality where all the necessities are just a stroll away  
Where you will find many lifelong friendships  
In a home where the walls liberate rather than confine you

Welcome to a life  
that is fulfilling  
in every way.

# Peace awaits you... \_\_\_\_\_

And from that peace stem joy, dignity and an all-round  
well-being.
